

YOU'RE INVITED TO THE DUMBALK COMMUNITY DROP-IN SESSION

Monday 23 May, Dumbalk Community Hall

MARINUS LINK

DETAILS

The Marinus Link team will be in Dumbalk for a **Community Drop-in Session** where residents can find out more about the project. We will have our project team on hand who can answer your questions about the planning and approvals process, potential construction impacts and technical information about the project. No need to RSVP, just come by and have a chat. Coffee, tea and light refreshments will be available.

Please drop in anytime on:

Date: **Monday 23 May 2022**

Time: **between 3:00pm and 7:30pm**

Location: **Dumbalk Community Hall,
29- 31 Farmers Road, Dumbalk**

BACKGROUND

Marinus Link is a proposed 1500 megawatt capacity undersea and underground electricity connection to further link Victoria and Tasmania as part of Australia's future electricity grid.

Marinus Link involves approximately 90 kilometres of underground HVDC cable in Victoria and 250 kilometres of undersea High Voltage Direct Current (HVDC) in Bass Strait. It will include a converter station in Victoria.
