

Working together, Marinus Link and the Burnie City Council have developed the Community Partnership Program

Through the Program, two successful applicants will receive \$20,000 each year over three years. That's \$60,000 in total to deliver an initiative that promotes:

- ◇ The growth of skills or employment pathways, and/or;
- ◇ Positive environmental outcomes, and;
- ◇ Community legacy and inclusivity.

The Program was developed to align with Marinus Link's Sustainability Framework priorities and potential growth areas for the Burnie City Council.

Who can apply?

The following organisations are eligible to apply for the Program:

- ◇ **Not for Profit Organisation (NFP)** - organisations that provide services to the community and do not operate to make a profit for its members.
- ◇ **Social Enterprise (SE)** - businesses that put the interests of people and planet ahead of shareholder gain. These businesses are driven by a social/ environmental mission and reinvest profits into creating positive social change.
- ◇ **Registered Training Organisation (RTO)** - providers and assessors of nationally recognised training that have been registered by the Australian Skills Quality Authority.
- ◇ **Primary and Secondary Schools** – schools within the Burnie municipality looking to run an initiative outside their normal curriculum.

Please note: the use of Program funding must be within the Burnie municipality.

Why is Marinus Link funding this Program?

Marinus Link has a vision to create a positive legacy in the communities where the project is proposed.

Along with local employment opportunities through the construction of the project, Marinus Link is funding the Program to empower local community groups and organisations to make a positive impact in Burnie.
